

DIY Mug Decal Application

1. Clean the surface with rubbing alcohol.

2. Tape the decal into place on your mug.

3. Starting in a corner, peel away the transfer tape from the backing.

4. Tear off the backing.

5. Place the decal onto the mug.

6. Remove the tape.

7. On the opposite side, peel away the backing from the center to the edge. Place the decal onto the mug.

8. Using a credit card or applicator, rub across the entire decal.

9. Slowly peel off transfer tape.

Allow the decal to cure on the mug for at least 72 hours before using. To get the most life out of your decal, remember to hand wash only.
